ICAS Results

(International Competitions and Assessments for Schools)

Congratulations to our clever Nerang State School students who entered the online University of New South Wales ICAS tests in English, Mathematics and Science.

The series of tests is designed to extend and reward students for their efforts, motivating them to attain greater academic success.

Thurs 11 Nov	Remembrance Day
Tues 23 Nov	3.30pm Instrumental Twilight

New failure to report offence – fact sheet for students aged 18 years or older

New laws have been enacted to better protect children from the risk of sexual abuse. The failure to report offence requires all adults, including students aged 18 years or older to report sexual offending against children to police unless they have a reasonable excuse.

A [fact sheet](#) has been developed to support students who are 18 years or older to understand the failure to report offence and their responsibilities .

From 1 Karang

1 K students have started the term with great excitement and smiling faces! In science they have been learning about light and sound and how light and sound can be observed using the senses. They manipulate materials to observe how light and sound are produced, and how changes can be made to light and sound effects. They examine how light and sound are useful in everyday life. They explored a cave and learnt how a river stream flows through a canyon on heavy rainy days. All students are working hard and ready to have a great last term in Year 1!

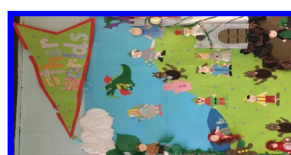

Worried about how your child is coping?

The past 18 months have been tough for many of us, including our kids. COVID-19 has impacted our lives in many ways, including an increase in mental health concerns in young people. If you notice changes in your child's behaviour, or think something is troubling them, help is available. Talk to your child's teacher or the school [guidance officer](#) if you are concerned.

From Prep Bilin

Prep Bilin finished term three with their spectacular performance at the N Factor. They danced beautifully and then they had the whole school on their feet joining in! The preps also worked creatively to produce a stunning display for the school library. Cyran Barba won second prize in The Gold Coast Show Art Competition. Well Done!

RESPONSIBLE BEHAVIOUR PLAN

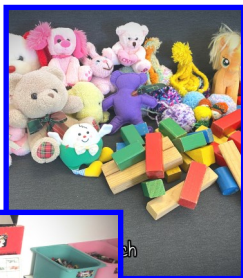

The fortnight's lesson is: BEING FRIENDLY

- Include others in your games
- Play games fairly following the rules.
- Help others when they are looking sad, sick or hurt.
- Respect the High 5 Strategy and respond appropriately when it being used.

Message from Chaplain

Thank you so much to all of the generous people from, Genesis Christian Church, and the Mudgeeraba Uniting Church Op Shop, who kindly donated these wonderful toys and games for our Chillout Room at Nerang State School. I know that the students will be so excited to play with everything today.

Have Fun Make Friends Discover Tri

With a safe and supervised pool swim, ride on fully closed roads and a run through the cheering crowds - your Kids will be smiling from ear to ear.

Built for absolute beginners or those new to triathlon, all Kids receive a free T-Shirt and a finishers medal.

Sunday 7 November 2021

Miami Aquatic Centre, Miami

Ages: 6 - 16 years

Price: \$29

Advice for parents, carers, guardians and drivers

The City of Gold Coast (City) wants to ensure that motorists comply with [school zone road rules](#) at and around schools to achieve a safer environment for children and the broader school community. These rules also help to optimise traffic movement and safety. Please take extra care and obey the signed parking rules when parking on the roads and streets around the school.

Park Safe Vehicles - Licence Plate Recognition (LPR)

As part of the *City Parking Plan 2015* to improve parking behaviour on the Gold Coast, City Parking Officers will soon patrol the city (including key school zones) using vehicles, clearly badged as "Park Safe" vehicles. These vehicles use Licence Plate Recognition (LPR) which is camera technology fitted to Park Safe vehicles to ensure motorists are parking safely. Park Safe will operate on school days at student drop-off and pick-up times focusing on pedestrian areas around schools. If a vehicle is found to be parked illegally the City will issue an infringement notice to the registered vehicle owner by post.

Offences to be aware of:

- stopping 20 metres before or 10 metres after a sign posted crossing
- stopping 20 metres before or 10 metres after a bus stop
- stopping within 10 metres of an intersection or corner
- stopping within a bus zone (bayed area)
- stopping on a footpath or nature strip within a built-up area
- stopping in a way that restricts access to a driveway
- stopping on a yellow painted line
- stopping in a loading zone
- double parking for any period of time.

CITY OF
GOLDCOAST™

PCYC Outside School Hours Care

We offer a comprehensive outside school hours care program on-site at Nerang State School.

Before School Care: 6:30am-8:30am

After School Care: 3.00pm -6.00pm

Vacation Care & Student Free Days: 6:30am-6.00pm
