## 9 December 2022

**LAST DAY OF SCHOOL** is Friday 9 December 2021  
**SCHOOL RESUMES**—Monday 23 January 2022  
**SCHOOL TIMES**—Start 8:47am sharp; Finish 2.55pm

**Merry Christmas  
and Happy New**

As this is the final newsletter for the year I would like to thank all the staff, students, families and community for their wonderful support given to our school over the 2022 school year. We have really felt the spirit and caring nature of our community. You may not realise it, but our school—Nerang State School is blessed with talented and caring admin, teachers, cleaners, groundscares, tuckshop, specialists and teacher aides who provide great opportunities for all the children. We make a great team!

Staffing and class structures for 2023 are not yet finalised. We will be providing families with information as to which class your child is in. HOWEVER, be aware that changes may occur in the new year, when enrolments are finalising.

What we know, at this point in time.

## Facilities Update

As you know, our school is currently in a state of renewal. We are working hard to beautify our school and make it the best place for our students and our community. Over the holidays, we are looking forward to continuing this transformation.

- Outdoor Learning Area—this is between E and D block. It will be an outdoor space where classes can engage in outdoor learning. It will flow on from the new prep playground and classrooms.
- As part of Active School Travel, we are having a bike enclosure completed. This will be lockable and is located just behind the staffroom.
- A computer room is being established in the science room. We will also be receiving new computers in early 2023. How exciting!!!
- Edugraphix will be putting in art work.

## UNIFORM SHOP

Uniform Shop will be open before school commences next year on the following day- Thursday 20 January 9.00am–11.00am.

## Collect your child's medication from school

Remember to collect your child's medication before the holidays and store it correctly at home. You can [learn more](#) about the storage of medications such as asthma inhalers and adrenaline auto-injectors (e.g. EpiPens). Also, remember to check the expiry dates.

## 2022 SCHOOL CAPTAINS
